*Panache Wine Bar on the Second Floor of the Wells Fargo Center Receives City Weekly’s Readers Choice Award for Best Wine List.*

SALT LAKE CITY, UT (April 5, 2007)—Moving up from the number-two spot from last year, The Panache Wine Bar’s wine list was voted the best in Utah by the readers of *City Weekly*. Panache’s Wine List is always rotating, staying fresh and keeping in an eclectic array of wines. Discriminating wine connoisseurs and newcomers alike love the straightforward format and the wide variety the wine list offers.

City Weekly writes, “Passion is the name of the game when it comes to Panache’s wine list. While owner Shauna Engen relies on a sommelier to help provide a rotating wine list, what’s really at stake here is the exquisite art of pairing. Putting the right wine with the right plate can be the difference between a night of stilted conversation and a night of passion... So a Bucklin Syrah with a pepper steak brings out perfectly the spiciness of the meat. The collision between wine and meat evokes something greater than the two parts, a chemical change, that, Engen says, can truly enhance the romance of an evening.”

### **About Panache Wine Bar**

Located on the second floor of the Wells Fargo Center, the Bar’s contemporary design evokes a gentle mood bathed in atrium light. A wood-burning oven serves as the backdrop to tables accommodating intimate parties of two, or larger after-work gatherings. Tucked away in a separate room just off the main Bar is Panache’s exclusive Cigar Room, stocked with some of the world’s finest cigars. In addition to exquisite beverages (ranging from \$5.00 to \$20.00 per glass, or \$20.00 to \$150.00 per bottle), the Panache Wine Bar gives its food equal billing with offerings including hot and cold tapas, wood-fired pizzettis, small-batch soups, artisan cheeses, and delectable hand-crafted desserts. The Panache Wine Bar (a private club for members), located at 299 South Main Street, is open Monday through Saturday from 4:30 to 11:30 p.m. Contemporary and conversation-friendly live music adds to the atmosphere several nights a week, and parking in the Wells Fargo garage east of the Panache Wine Bar is validated with food and beverage tabs of \$10.00 or more.
